Question 3
Question 3

1 point possible (graded)

Select the pieces that will complete the main function for cowabunga.

```
(define (main c)
  (big-bang c)
```

- [x] `(on-tick next-cow)` ✔
- [x] `(to-draw render-cow)` ✔
- [ ] `(on-mouse handle-mouse)`
- [x] `(on-key handle-key)` ✔
- [ ] `(stop-when stop-now?)`

Explanation

These are the big-bang options that we need according to our domain analysis.
